

Bariatric Resource Services Connecticut and New Jersey Centers of Excellence

UnitedHealthcare is pleased to offer its Oxford members access to Centers of Excellence for bariatric surgery. Below, you'll find a list of facilities with facility surgery programs and surgeons that have met our quality assessment criteria and are in good standing with UnitedHealthcare and national accreditations.

As of the date of this publication, these facilities have earned a Center of Excellence designation when services are performed by the Center of Excellence qualified bariatric surgeon. A Center of Excellence designation for bariatric surgery is valid only for a specific combination of approved facility and surgeon(s). It is *not* a designation that applies to the facility in general, or to any surgeon at that facility.

Members with questions may call us at the toll-free phone number on their health plan ID card; providers may call us at **1-800-666-1353**.
