

Participating Providers and their information can periodically change. Before receiving services, you should always verify that that provider is currently participating.

## Breast Pump Suppliers

### Breast Pump Suppliers

UnitedHealthcare has contracted with the following Breast Pump providers. You must call the toll free number below to purchase the appropriate pump. Empire Plan coverage for this benefit is only available to those non-grandfathered groups subject to the Patient Protection and Affordable Care Act (PPACA). Those groups currently are: New York State (NYS) employees who are unrepresented or have agreements/awards with NYS effective October 1, 2011 or later, NYS Retirees, Participating Employers (PEs) and PE Retirees, Participating Agencies (PAs) and PA Retirees. Please call your Health Benefits Administrator (HBA) if you are uncertain of your group coverage.
