

Benefit Category: **Personal Care, Comfort or Convenience**

### **Breast Pumps - All Groups - Effective 1-1-14:**

Preventive Care Benefits defined under the Health Resources and Services Administration (HRSA) requirement include the cost of purchasing one breast pump per Pregnancy in conjunction with childbirth is covered under Preventive Care Services at 100% of Eligible Expenses (without application of any Copayment, Coinsurance or Deductible). Any exclusion under the Personal Care, Comfort or Convenience section is revised to not apply to breast pumps provided under the conditions stated above.

If more than one breast pump can meet your needs, Benefits are available only for the most cost effective pump. We will determine the following:

- Which pump is the most cost effective.
- Whether the pump should be purchased or rented.
- Duration of the rental.
- Timing of an acquisition.

**Benefits for the cost of renting one breast pump will no longer be covered.**

Members can contact any UHC network physician or durable medical equipment (DME) supplier. UHC National Ancillary DM breast pump suppliers will ship the breast pump directly to the member. *Members can order pumps no more than 30 days in advance of delivery.*
