

Medications not eligible for coupons.

Effective Jan. 1, 2020, you will not be able to use manufacturer coupons for the prescription drugs listed below*. Coupons seem like a good idea, but many times, they can actually drive up health care costs. Here are some covered, lower-cost options that work the same as more expensive medications. Use one of these choices instead to help you pay less for your medication.

Therapeutic Use	Medications Not Eligible for Coupon			Lower-Cost Option(s)
