

## Your Nurse Advisor team

The Nurse Advisor program is available for enrolled members of the UnitedHealthcare PPO plan. Insurance coverage provided by or through UnitedHealthcare Insurance Company or its affiliates. Administrative services provided by UnitedHealthcare Insurance Company, United HealthCare Services, Inc. or their affiliates.

For informational purposes only, Nurse Advisor nurses cannot diagnose problems or recommend specific treatment and are not a substitute for your doctor's care. Nurse Advisor services are not an insurance program and may be discontinued at any time.

### Nurses are on your side

As a Chevron employee who is enrolled in the UnitedHealthcare® PPO plan, you have a full-service resource committed to supporting your health and well-being — the Nurse Advisor team.

### An advocate for your health

The Nurse Advisor team is a group of specially trained registered nurses dedicated solely to Chevron employees. Based on your personal health needs, a Nurse Advisor may reach out to help you personally with managing your health and customizing a care plan. They can work with you one-to-one to answer your questions, get connected to valuable resources and much more. You can also contact nurses trained to address general health concerns, day or night, for immediate answers to your questions.

### Support you can trust

Your caring Nurse Advisor team has knowledge in a variety of health concerns including:

- Asthma
- Back pain
- Bariatric surgery
- Benign prostate disease
- Benign uterine conditions, hysterectomy
- Cancer
- Chronic obstructive pulmonary disease (COPD)
- Congenital heart disease
- Coronary artery disease (CAD)
- Diabetes
- General complex conditions
- Heart failure
- Hospital admissions
- Kidney disease
- Knee and hip replacement
- Maternity
- Transplants
